

Scorely

A collaborative rehearsal app for chamber musicians

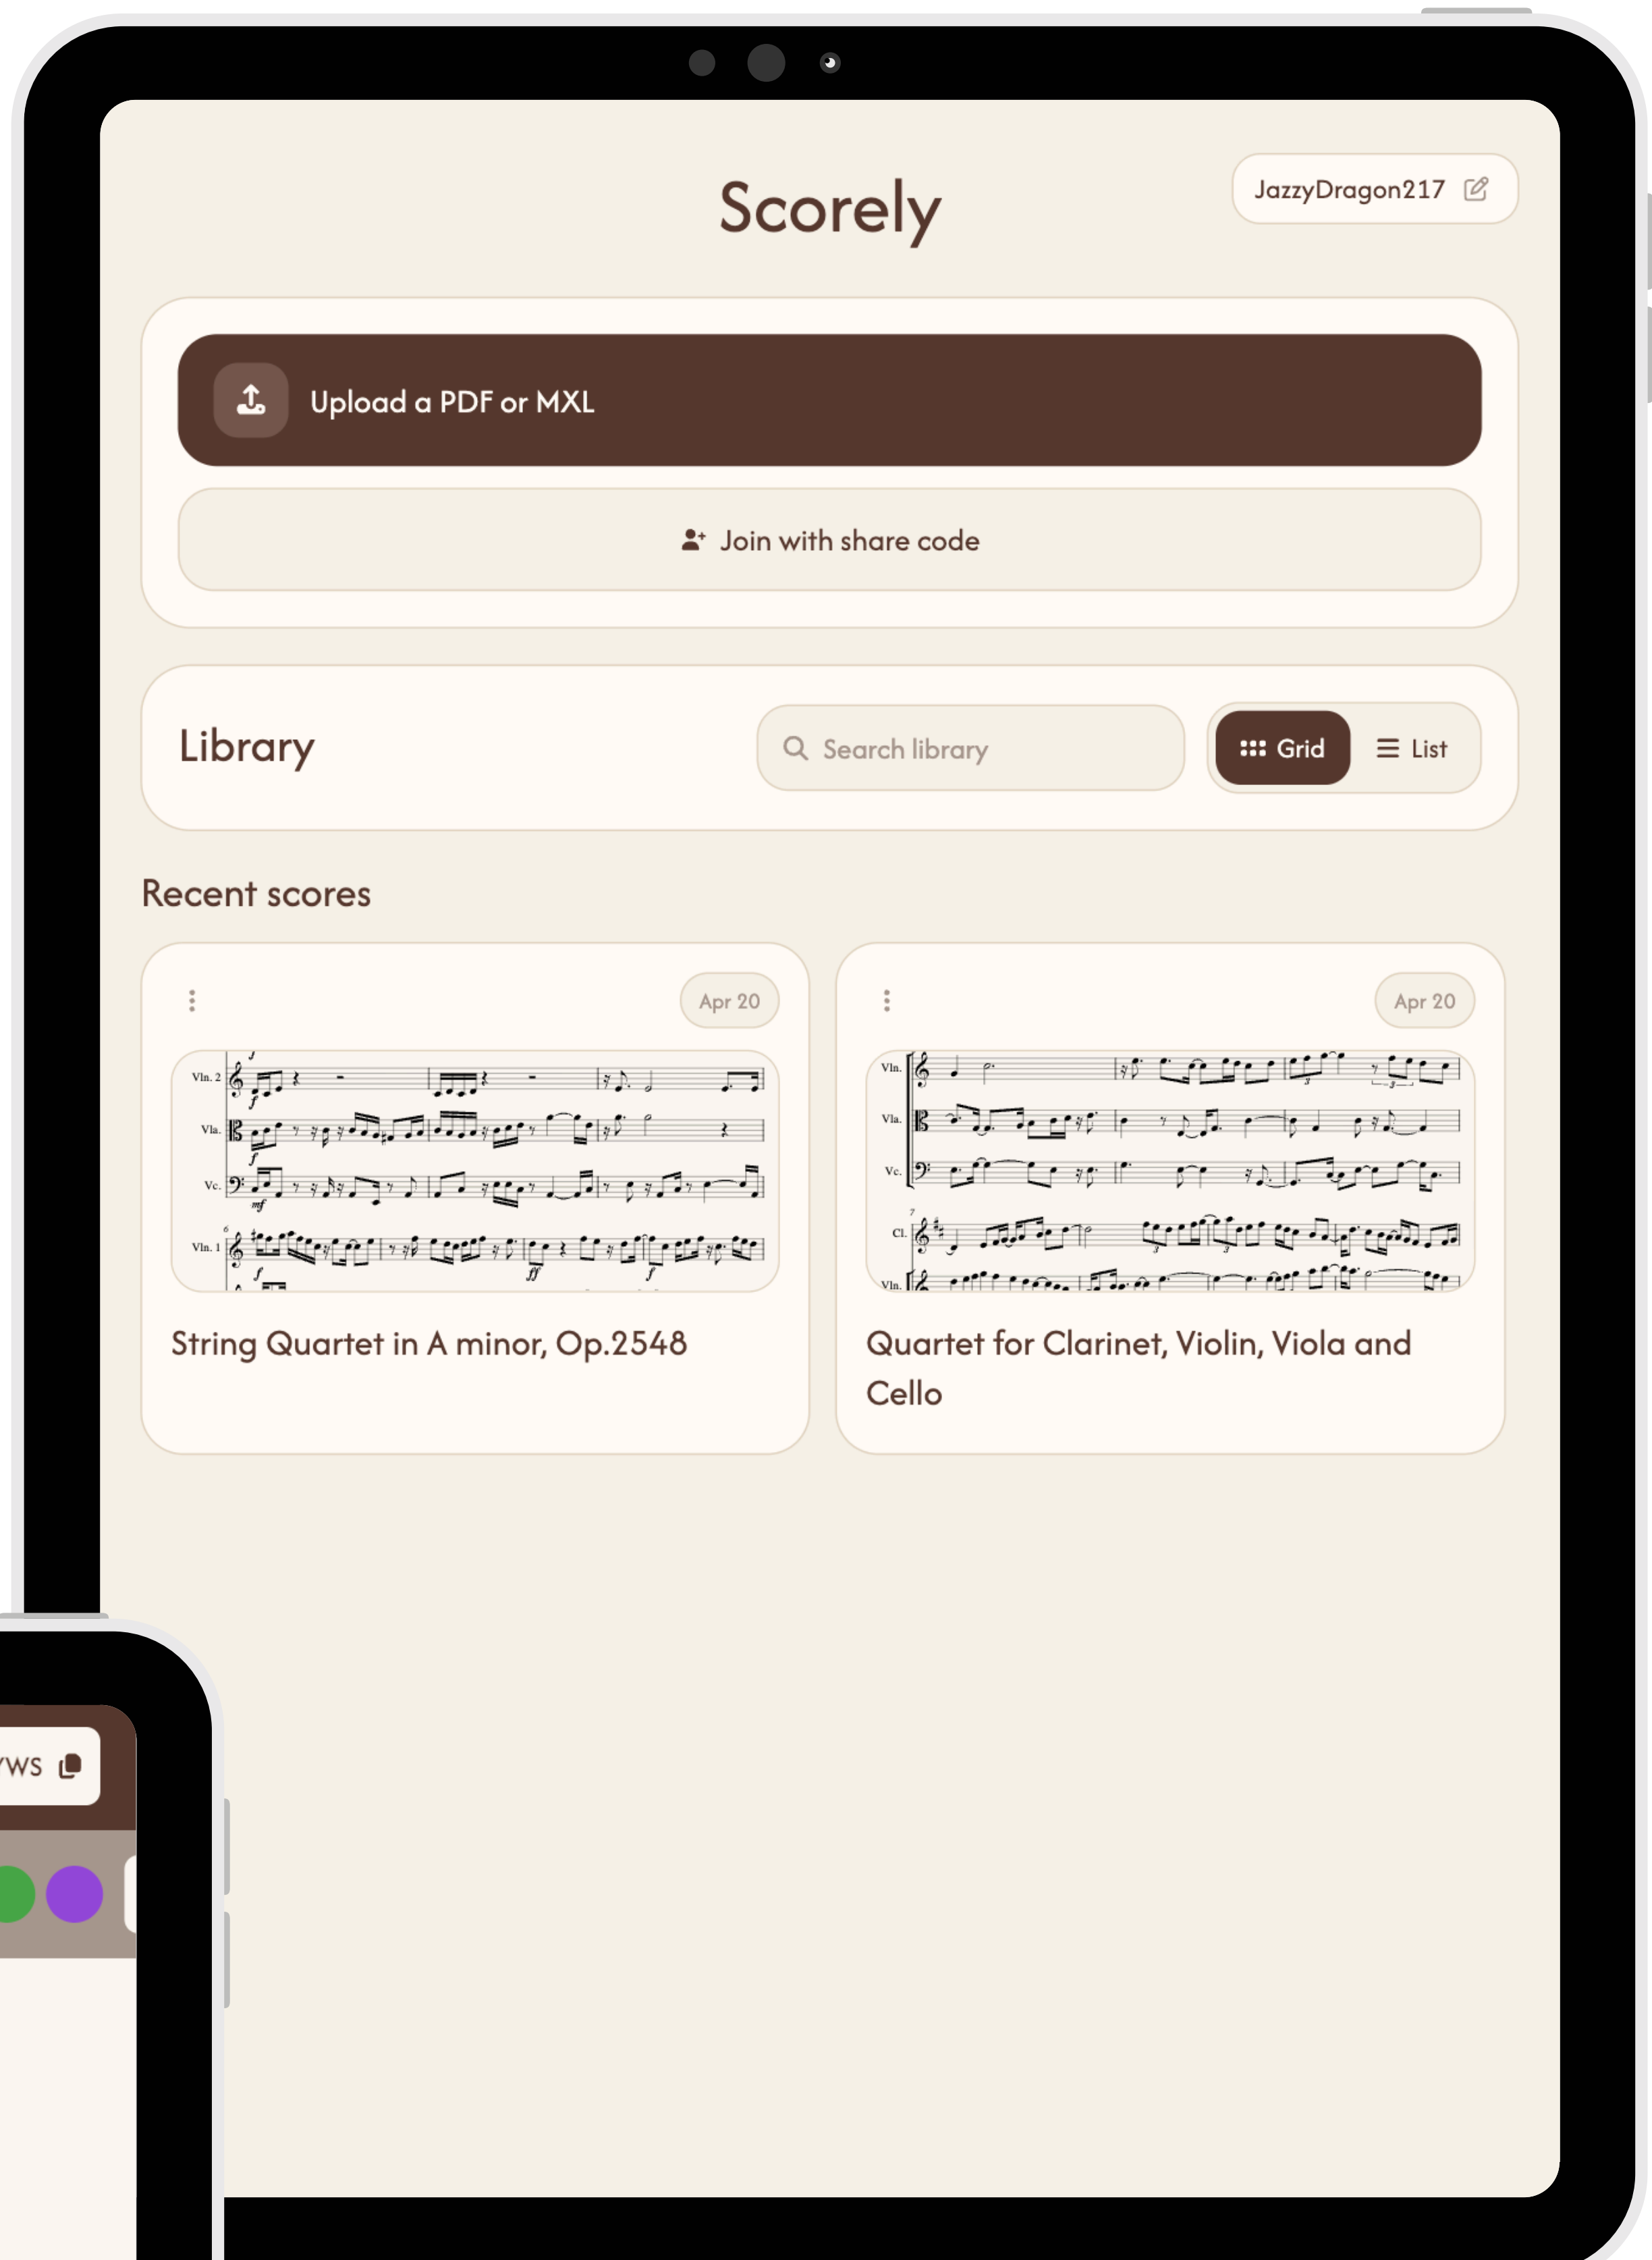

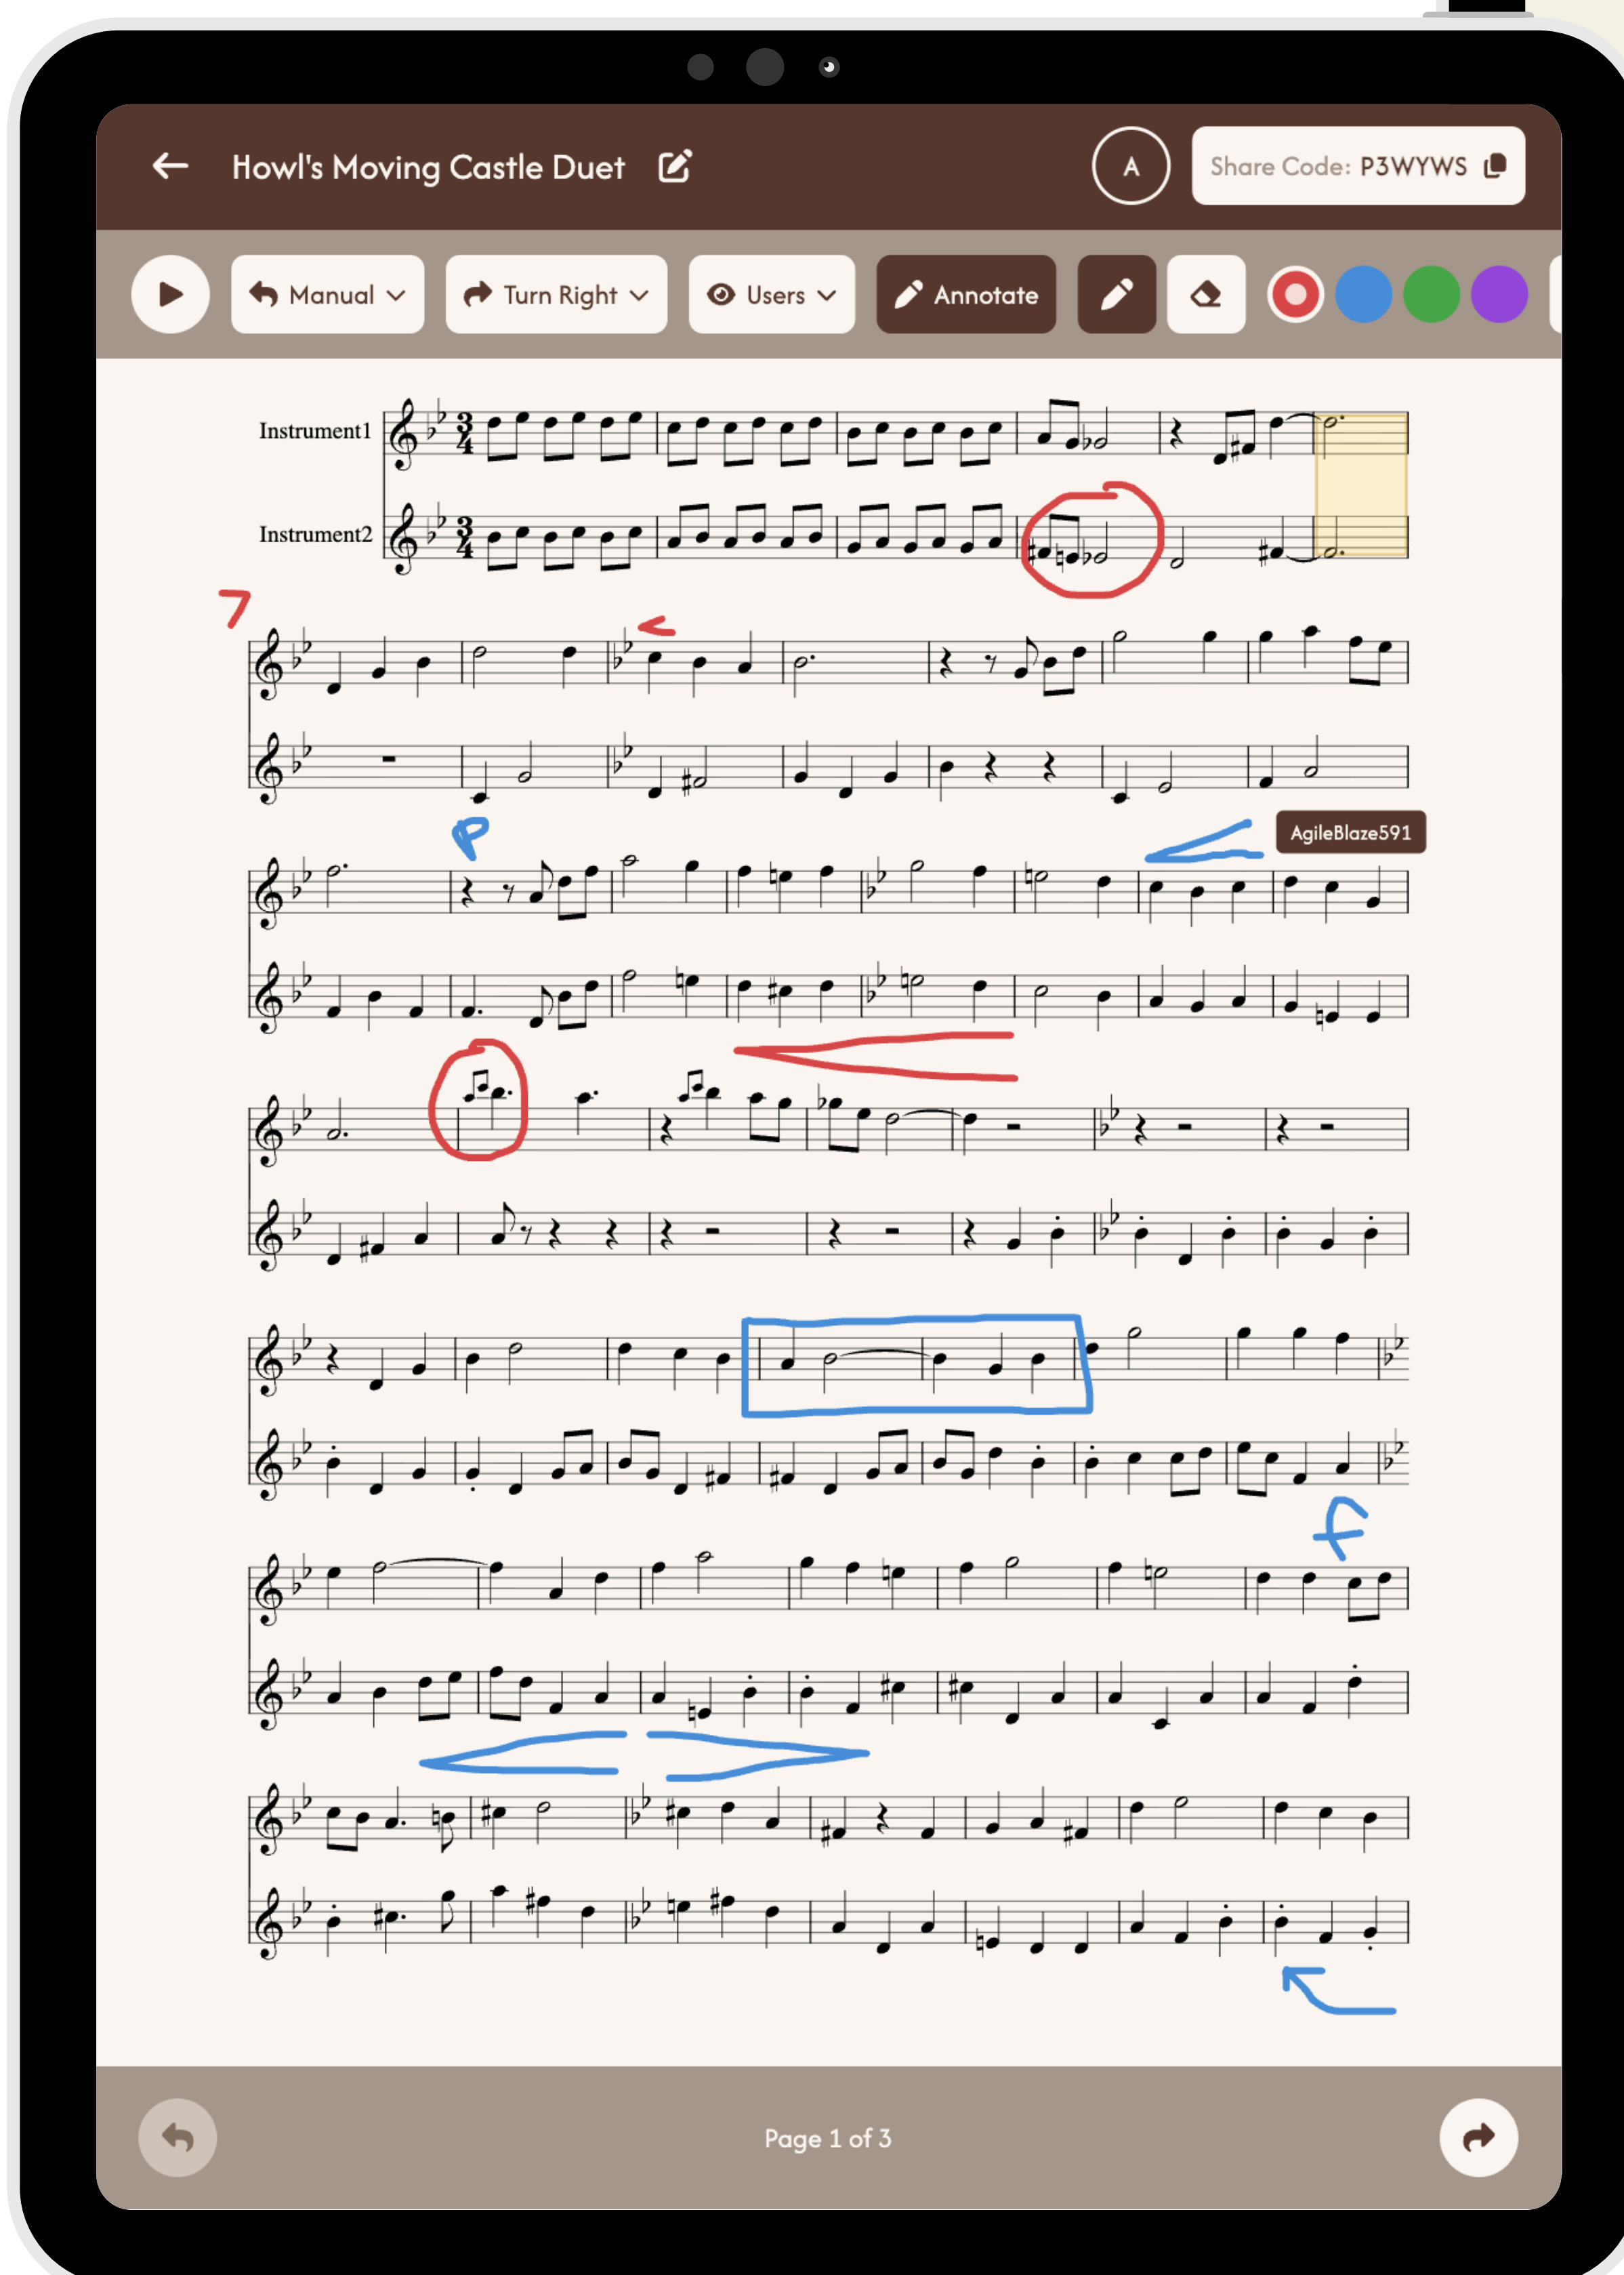

Scorely helps musicians move beyond paper-heavy, fragmented rehearsal setups and get back to what matters most: creating music together.

Upload or Join

Upload any PDF or MXL file to get a ready-to-play score or open an existing score with a share code.

Follow the Score

Playback and measure highlighting help musicians stay oriented during practice.

Annotate Together

Shared markings let collaborators rehearse from the same evolving score.

Hands-Free Page Turns

Gesture detection supports page turning without interrupting performance.
